

Air Conditioning Contractors of America chooses ePay Management as its Electronic Payments Partner

The Arizona Chapter of the Air Conditioning Contractors of America chooses ePay Management, LLC as its endorsed electronic payment processing partner.

FOR IMMEDIATE RELEASE

PRLog (Press Release) – Sep 27, 2010 – ePay Management L.L.C. (ePay) announced today that it has been selected as the endorsed payments provider for The Air Conditioning Contractors of America, Arizona Chapter, a non-profit trade association with roots stretching back nearly a century. The ACCA is the only nationwide organization of, by and for the small businesses that design, install and maintain indoor environmental systems.

ePay Management will give ACCA Arizona members the ability to accept Visa, MasterCard, American Express and Discover transactions at a reduced negotiated price to the Association. ePay will also provide ACCA members with consumer financing options and mobile payment processing solutions.

“We are very excited about the addition of ACCA Arizona to the ePay family” said Dave Wilson, Founder and CEO of ePay Management. “We have a full decade of experience providing quality, personalized merchant solutions to the home services industry. We pride ourselves on our extensive knowledge of the industry and our ethical business practices. ePay will provide secure, reliable equipment and service with aggressive pricing upholding our reputation as the HVAC Industry’s best friend.”

About ePay Management L.L.C. (ePAY)

Founded in 2000 by seasoned payment industry professionals, ePay Management has an impressive legacy of partnership with its customers in successfully applying technology-based, merchant electronic payment solutions and solving their toughest problems. The company supports sales offices nationwide and is a registered ISO/MSP of RBS Citizens, Providence, RI.

About The Arizona Chapter of the Air Conditioning Contractors of America (ACCA)

A non-profit trade association for heating, ventilating, air conditioning and refrigeration contractors in Arizona, the ACCA works to give their members the tools they need to succeed in the HVACR industry. The ACCA represents and serves firms who design, install, service and repair air conditioning, heating, refrigeration, air purification and ventilating systems of all sizes and complexities. In addition, membership includes manufacturers of equipment, wholesalers and distributors of equipment, vocational and technical schools, utilities and others with an interest in the HVAC industry.
